It is hereby agreed between the above signed, as owner, by himself, or his agent and the City of St. Francis that for and in consideration of the premises and of the permit for the execution of the electrical installation, for light, heat or power as the above described, to be issued and granted by the Electrical Inspector, that the work thereon will be done in accordance with the descriptions herein set forth in this statement; and that nothing in connection with this application or the permits granted as a consequence thereof shall be construed as legalizing or justifying the violation of any rules, orders, laws or ordinances concerning the above mentioned location and properties. It is further agreed that the above signed hereby expressly states that he/she is full capable and is in possession of the full knowledge and ability to design, layout and install the work designated on this particular application in a legal and workman like manner and that he agrees to install or alter same in strict compliance with the ordinance of the City of St. Francis and to obey any and all lawful orders of the Electrical Inspector of the City of St. Francis.

Permits must be filled out completely, signed, and sent-in in triplicate.
