Release of Information

PURPOSE: The purpose of this Policy & Procedure is to provide information on the proper procedures to release information collected by the St. Francis Police Department to ensure compliance with the Wisconsin Open Records Law.

This Policy & Procedure consists of the following numbered sections:

- I. DEFINITIONS
- II. RELEASE OF INFORMATION BY PERMISSION OF CHIEF OF POLICE ONLY
- III. RECORDS ACCESSABILITY
- IV. AVAILABILITY OF RECORDS
- V. ASSOCIATED/APPLICABLE FEES

### I. DEFINITIONS

- A. RECORD: Any material on which written, drawn, printed, spoken, visual, or electromagnetic information is recorded or preserved, regardless of physical form or characteristics, which has been created by an authority

Record includes, but is not limited to, handwritten, typed or printed pages, maps, charts, photographs, films, recordings, tapes (including computer tapes), computer printouts and optical disks. "Record" does not include drafts, notes, preliminary computations, and like materials prepared for the originator's personal use or prepared by the originator in the name of a person whom the originator is working; materials which are purely the personal property of the custodian and have no relation to his or her office; materials to which access is limited by copyright, patent or bequest; and published materials in the possession of an authority other than a public library which are available for sale, or which are available for inspection at a public library as state in WI §19.32(2).

- B. COPY OF THE REPORT: A copy of the report that was generated after all the information which the law prohibits disclosure of and all the information which the law permits law enforcement to refuse disclosure of has been removed.

## II. RELEASE OF INFORMATION BY CHIEF OF POLICE ONLY

- A. Since the Chief of Police bears the full responsibility for the lawful and orderly operation of the Department, any and all information will only be released by the Chief of Police or his/her authorized designee. All parties requesting a record must complete a St. Francis Police Department Open Records Request Form. This form will be retained within the Department.
- B. Reports generated as a result of a Chapter 51 proceeding, are protected and will not be released. Supreme Court decision, *Watton v. Hegerty*, 2006 AP 3092, 2008 WI 74, 751, N.W.2d 369, held that records in the custody of the police department related to the Mental Health Act, Chapter 51 of the Wisconsin Statute, preclude disclosure of duplicate copies of statements of emergency detention that are in the possession of the Department absent informed consent or a court order.
- C. Furthermore, information relating to cases which may involve potential civil liability for the Department shall be withheld until prompt review and approval has been obtained from the Department legal counsel. If there is reason to believe a request involves information which concerns potential liability of the Department, the person making the request should be referred to the Chief of Police.
- D. It shall be the policy of the Department that absolutely no official document and/or report, handwritten documentation, or verbal information pertaining to juveniles, driving records, Chapter 51.15 paperwork and criminal histories shall be release by any personnel of this Department to any party without expressed permission of the Chief of Police. The only exception is a request from another law enforcement agency. This policy shall apply to information release requests whether juvenile or adult.
- E. Juvenile Records

1. A juvenile record may be released to the following:
  - a. News media representatives who wish to obtain information for the purpose of reporting without revealing the identity of the juvenile involved.
  - b. School district administrator of the school in which the juvenile attended.
  - c. Other law enforcement agencies for the purpose of investigation.
  - d. Social welfare agencies under contract from a county.
  - e. Victim witness coordinators.
  - f. Fire investigators under WI §165.55(15).
2. If a juvenile release form is signed, a juvenile record may be released to the following:
  - a. Victims' insurance companies for the purpose of seeking restitution.
  - b. The juvenile's attorney or guardian ad litem.
  - c. Records can be released to the parent, guardian, legal custodian or juvenile (age 14 or older) upon their request.
  - d. The victim of injury, loss or damage of a juvenile act, and only for the purpose to obtain restitution.
  - e. Juveniles waived into adult court.

### III. RECORDS ACCESSABILITY

- A. Generally, the St. Francis Police Department will accept release of information requests 24 hours a day. The attached "Request for Records" form should be filled out (not mandatory) by the requestor or an employee taking the request, in an effort to assist the Department in locating a record in a prompt and efficient manner.
- B. In addition, according to §19.34 (1) the Department shall prominently display guidance to the public, a notice containing the established times and places at which the public can obtain information and access to records in its custody, make requests for records, or obtain copies of records, and the costs thereof.

### IV. AVAILABILITY OF RECORDS

- A. The Chief of Police is designated as the legal custodian of all departmental records. Inquiries about the availability of records may be made at police headquarters during regular office hours.
