The applicant herein shall comply with Chapter 386-1 of the St. Francis Municipal Code. Dumpsters shall not be placed upon or be allowed to remain in any city-right-of-way, alley, street, or sidewalk from November 1 through March 31 without a winter permit exception. An additional cost would be charged for the time it would take to clean up leaves or plow around the dumpster. (On a case-by-case basis, as approved by the City Engineer or Building Inspector, dumpsters may be allowed from 1 to 30 days.)

The applicant assumes all responsibility and costs for any claim of damage against the City of St. Francis caused by such obstruction/dumpster if permission is granted.

The applicant agrees he/she will barricade the work site and is liable for all damages for failures to erect and maintain suitable barricades. **Flasher barricades must be provided by applicant if permission is granted.**
