Subject: pharmacy burglary

Chief,

I don't think I ever got this to you:

On 06/16/2021, St. Francis Detectives McManus and Gilden, with the assistance of the ATF and US Marshal's Fugitive Task Force arrested Allen Moffett and Natasha Williams for burglary to the Aurora Pharmacy, located at 2000 E. Layton, in the overnight hours of September 29th, 2020. They have both been charged with burglary. Located within the residence were 2 firearms, narcotics, and about 1500 pills left over from the burglary. Utilizing available cellular technology and multiple search warrants, Detective McManus was able to confirm Ms. Williams was present on the property during the time of the crime. Subsequent investigation into the results of search warrants allowed Detectives to utilize facial recognition assistance from another department to ID her boyfriend and co-actor, Mr. Moffett, who was already absconding from the authorities for another burglary. Mr. Moffett has a long and violent criminal record. He is currently in custody on a revoked status and awaiting federal charges for possessing the narcotics and the firearms. Mr. Moffett has also been linked to open/unsolved shootings in the City of Milwaukee.

Also:

Last week, a criminal complaint was signed for Joseph Johnson for multiple charges stemming from a long-time career of contractor fraud, acting as an HVAC contractor "JN Mechanical." Mr. Johnson defrauded Dog City owner out of almost \$9,000 in November 2019, almost preventing her from opening, and then \$15,000 from Superior Kitchen Supply in Jan. 2021. After a very lengthy investigation, Detective McManus determined that Mr. Johnson had defrauded \$100,000s from customers, suppliers, and other contractors over the last few years. Another customer included in the criminal complaint is a non-profit that helps business owners startup businesses. Detectives McManus and Gilden located him in East Troy and arrested him on multiple felonies. Grant County, WI also charged Mr. Johnson with felony contractor theft as a result of this investigation. The victims are now able to try to recover lost funds from Mr. Johnson.

And finally:

Former assistant principal Christopher Fox was referred to the sensitive crimes unit for charges of Misconduct in office, sexual gratification, disorderly conduct, and criminal damage to property.

Sorry for the delay.

Detective Holly McManus
