

Public Information Meeting
June 17, 2021
6:00p.m. – 9:00 p.m.

Civic Center Council Chambers

The City has scheduled a Public Information Meeting for Thursday, June 17, 2021 from 6:00pm to 9:00pm at the Civic Center. This meeting is open house style and all interested persons can attend. Staff will be available to answer questions.

The City of St. Francis is proposing to resurface several streets in the City this summer. The streets proposed for resurfacing are:

- E. Bottsford Avenue from S. Nicholson Avenue to S. Pennsylvania Avenue
- E. Allerton Avenue from S. Nicholson Avenue to S. Delaware Avenue
- E. Armour Avenue from S. Nicholson Avenue to S. Pennsylvania Avenue
- E. Cudahy Avenue from S. Nicholson Avenue to S. Illinois Avenue
- S. New York Avenue from E. Bottsford Avenue to E. Van Norman Avenue
- S. Delaware Avenue from E. Van Norman Avenue south to Dead End
- S. Illinois Avenue from E. Allerton Avenue to E. Armour Avenue
- S. Vermont Avenue from E. Allerton Avenue to E. Cudahy Avenue

The project also involves the spot removal and replacement of sidewalk and/or carriage walk, spot curb and gutter and driveway approaches. By combining all these streets into one project, the City was able to receive very competitive prices for the proposed work.

The City of St. Francis has a policy which requires road work to be special assessed against the properties abutting the road proposed for work. Since this is a resurfacing project, only the removal and replacement of sidewalk and/or carriage walk, curb and gutter, driveway approach (if needed) and sod is assessable to the abutting property owner.
