- **Personnel Matters:**

- Still accepting applications – staffing is down one officer. This trend is State wide.
- No Internal Investigations – year to date
- No Union Grievances – year to date
- No Formal Citizen Complaints – year to date

- Officer Kayla Culbertson is doing an outstanding job. She will be moving to third shift in October – Officer Anthony Garcia having seniority wants to move to second shift.
- **Other Matters:**
- The City will be reimbursed \$3,317.48 in overtime reimbursement for manpower related to the USA Triathlon.
- **The City of Cudahy manages the traffic grant reimbursement for officer’s overtime. I just learned today from Cudahy that they may have misfiled information to the State which is leading to no payments to our agency for reimbursement. They will keep me apprised of the situation as this effects not only SFPD, but Oak Creek, South Milwaukee and Cudahy themselves. I spoke with Cudahy Police Chief Poellot regarding this concern.**
- Respectfully, - Chief Kevin Hunter
